APPENDIX

PROGRAMME INFORMATION AND ENTRY REQUIREMENTS

This section contains guidelines as you contemplate choosing the six (6) programmes you would like to pursue. The actual indication of your six (6) programme choices should be made in section C of the application form.

Minimum entry requirements

You must be a holder of MSCE/IGCSE or other internationally recognised qualification comparable to 'O' level certificates **with at least six credit passes (a minimum of grade '6' at MSCE or 'C' at IGCSE) including English Language obtained in 2015, 2016 or 2017**. The following is the interpretation of IGCSE results for admission purposes: A*= 1; A = 2; B = 3; C = 5; D = 7; EFG = 8.

Candidates who failed to satisfy the admission into public universities in 2015 or 2016 but successfully improved their grades after re-sitting a maximum of four subjects in 2016 or 2017 may use their supplementary statements for purposes of accumulating credits.

Candidates cannot combine grades from two independent certificates, i.e. candidates who were awarded a full certificate in 2015 or 2016 and reattempted MSCE in 2017 and obtained another full certificate **cannot combine grades from the two independent certificates for purposes of accumulating credits**.

OR

Candidates with A-level qualifications must have a minimum of three principal passes with an aggregate of at least 9 points obtained in 2015, 2016 or 2017. For purposes of selection, A-level grades are interpreted as follows: A*=6, A=5, B=4, C=3, D=2, E=1. (*Please note the difference in the interpretation for the O level grades*). Furthermore, candidates must have passed the subjects relevant to their desired programme either at O level or Advanced Subsidiary (AS) Level.

Candidates with an International Baccalaureate must have a minimum of 30 points obtained in the current year or the last two years. Candidates with an Advanced Subsidiary (AS) certificate must have at least grade 'C' in four AS-Level subjects plus IGCSE obtained in the 2015, 2016 or 2017. Candidates with a National Senior Certificate (NSC) must have a minimum score of 60% (Achievement Level 5) in four designated subjects obtained in 2015, 2016 or 2017.

Applicants who were previously withdrawn on academic grounds from any public university in Malaŵi shall not be allowed to apply for admission.

In addition to the minimum entry requirements, candidates must also meet the individual programme requirements.

Note

- a. *All candidates to be selected as self-sponsored students.*
- b. *If you are successful, you shall be admitted on non-residential basis. Issues of accommodation are the responsibility of individual public university and not NCHC. If you would like to be accommodated on University campus, you would have to apply for the same to your respective University/College soon after the release of selection results and if accepted, you shall pay the University for your accommodation and meals. Because the University shall not have the capacity to accommodate all selected students on their campus, allocation of University accommodation shall be done based on respective University criteria.*
